**£2,299** <sup>+OTR</sup>  
from £42.26 p/m

NEW SYM Fiddle 50cc Euro 5 Scooter Low Rate Finance available Find your Nearest Dealer Now  
 Introducing the updated and improved Fiddle 50cc Euro 5. Alongside the awesome new colour schemes, there have been some really clever and aesthetically pleasing additions and changes. From 16 Years Old you can be on the road with the stylish FIDDLE 50cc Euro 5 Smooth, clean styling reminiscent of the 'golden era' look with 'Venting' on the rear body, the addition of a Glove Box, a lower, flatter seat height, more power using a new Electronically Controlled Carb, larger Fuel Tank to improve range & LED running lights incorporated into the front indicator units. A real stand out head turner. MASK inducts new technology - A.L.E.H. system (Anti-Lift Engine Hanger system). When the vehicle accelerates, there will be a phenomenon of gravity shift. SYM designs the special engine suspension system, enables the relative position of the engine and the car body to maintain a steady state when accelerating, and suppress the instability caused by the lifting position. Making riders feel stable and comfortable when steering.  
 \*Specifications may vary depending on model and/or region. All models subject to availability. Prices and Specifications are subject to change without notice
